Dear Parent/Carer

As you may be aware, your son is approaching a crucial time in the academic year. Students have Mathematics and Science external examinations approaching, and will soon be entering Year 11.

To prepare students both for their examinations and the choices they must make in the future, we would like to invite you to a Year 10 'Aspiration and Progress' Evening on Tuesday 10 May. The evening will start at 6:00pm in Upper School Hall, and will be followed by a carousel of talks highlighting important messages for your son over the coming months. The evening will include:

- Study tips particularly for boys;
- Mathematics and Science tips for exams;
- Staffordshire University – where can you go from here?;
- An opportunity to talk with staff and the university.

If you wish to attend this evening, please complete the slip below and return it to your son's tutor no later than Friday 6 May.

Yours sincerely

Miss C E Worthy  
Director of Mathematics
