Dear Councilor Fisher,

Subject : Road safety Old Hednesford Road, Cannock, Staffs

It is with urgency I write to you to address the above issue. Old Hednesford Road is an extremely busy route leading to Cannock Town Centre, as residents we are experiencing the following major problems:

- * it is almost impossible to cross the road at peak times and very difficult at other times
- *children and young people walking to school are finding it unsafe to cross the road
- *residents pedestrian access to Cannock Town Centre is getting very difficult
- *vulnerable and elderly residents are hampered in their ability to access community facilities such as the fire station or Cannock hospital as the traffic is moving too fast

I request that a traffic survey is carried out as soon as possible with a view to providing some form of refuge or crossing before a major incident occurs in this road.

I look forward to your response.

Yours sincerely,
