Dear Parent/Guardian

A number of Parent Governor vacancies exist on our school's Governing Body. I am writing to inform you of the election arrangements and to invite you to stand for election. Parent Governors must currently have a child at Cannock Chase High School and are appointed for a period of four years, irrespective of whether their children remain in school throughout that period. Further details of roles and responsibilities are attached to this letter and can be found on the school website (<https://www.cannockchasehigh.com/about-us/governors>).

Parents who are willing, and eligible, to stand as a candidate for election may obtain an Application Form from the school Reception or download a copy from the school website. Parents of all children currently registered at the school are entitled to stand for election. For these purposes 'parent' includes a step-parent, guardian or other persons having parental responsibility. Please note that if you are employed at this school for more than 500 hours in the year (i.e. more than one third) you are not eligible to put yourself forward for election. You will, however, be entitled to vote in the election.

A completed Application Form must be returned to the school no later than 3.30pm on Monday 8 December 2025 (extended deadline). Candidates are asked to include a brief statement about themselves and why they would be suitable for this role. This will be distributed to all parents to help them to make their decision when voting.

Following the closing date for nominations, all parents will be sent a ballot paper giving details of each of the candidates. Depending on the number of applications this may not be required. If it is required, details of the process will follow as soon after the closing date as possible.

All candidates will be invited to attend the count although it will not be invalidated due to inability to attend.

The results of the ballot will be posted immediately following the count.

Yours sincerely

Mr I Turnbull

Roles and Responsibilities of Parent Governors

Terms of Office: Four years duration (with potential at the end of that period for re-election providing the eligible criteria are still met).

Governing Body Committee Structure

All regular governor meetings are held on Wednesdays and start at 4.30pm. Each committee meets once each term (ie 3 times a year).

The Governors make decisions on a wide range of matters affecting the school and monitor its progress and standards. They ratify policies and procedures, staff salaries and pay progression and any matter pertaining to the school's function and role in the community. They have the final say on whether or not a student is permanently excluded, and are responsible for setting the school's targets on attainment and attendance annually, as well as the Headteacher's performance appraisal targets (usually by a sub-committee of three Governors, advised by an external adviser).
