Dear Parent/Guardian,

We are very excited to outline the plans for our final week of school. We have organised 4 days of exciting trips, creative workshops, rewards, sports events (including sports day), exotic animals as well as our famous Chase Fest. Our final week will see a continuation of our drive to develop students Character Education through experiences and challenges outside of their normal curriculum with a focus on our school values; Resilience, Responsibility, Excellence, Teamwork and Integrity.

These events have been organised to reward the students for their hard work, commitment and dedication to their studies and the wider life of the school throughout the academic year. We are so proud of them all and the resilience that they have shown over the previous 2 years and want to celebrate our first full school year since 2018-19 by doing all the things that we missed the most!

The following page outlines the plans for the 4 days with specific information for each year group. If your child has booked on the Twycross Zoo Trip or the Cinema Trips then you will also have had a separate letter from the trip organiser with more information. Please ensure that all consent forms have been completed to ensure that your child can go on the trip, these can be completed on the school website <https://www.cannockchasehigh.com/news-events/school-trips-form>

On Wednesday afternoon we will be walking/running the Race for Life in Aid of Cancer research UK. Please help support us in raising money for this amazing charity by donating using the following link: <https://fundraise.cancerresearchuk.org/page/cannock-chase-high-school-2>

Please make a note of the uniform expectations for each day depending on what activities your child is involved with. Thursday is a non-uniform day for everyone with £1 donations going towards Friends of Cannock Chase High school. Please also note that the school day finishes at 2:50pm on Wednesday 20th July and at 1:15pm on Thursday 21st July.

We look forward to sharing these events with our students in the final week, if you do have any questions or queries please do not hesitate to get in touch. Can I also take this opportunity to wish you all a happy and restful summer holiday.

Yours sincerely

Mrs J Simpson
