

CANNOCK CHASE HIGH SCHOOL

A C H I E V E M E N T F O R A L L

UNIFORM & EQUIPMENT POLICY

This Policy applies to Years 7 to 13.

Our Uniform Policy is in line with our commitment to the highest standards of student dress, as we prepare all our students for the world of work and beyond.

Our Policy is based on the notion that a school uniform:

- Promotes a sense of pride in the school;
- Enhances and strengthens a feeling of community and belonging;
- Is practical and smart;
- Identifies our students as part of our school;
- Is not distracting in class (as fashion clothes might be);
- Makes students feel equal to their peers in terms of appearance and financial circumstances.

Our intention is that our school uniform continues to be as reasonably priced as possible for parents avoiding expensive fashion items/trends. The school will also offer the opportunity to attend a second-hand uniform stall in the Summer Term to swap or purchase uniform where required.

We ask that all parents/carers refer to this Policy before purchasing any items, as inappropriate school uniform will need to then be replaced. If parents/carers are in any doubt about what is/is not permitted, please check with the school beforehand. Displays of what is regarded as correct school uniform are available for parents to view in the lower school reception area.

The support of all parents in ensuring that our clear Uniform Policy is adhered to at all times is appreciated. We would ask that all uniform is clearly labelled in case any items are misplaced.

Sixth Form Dress Code (Year 12 and Year 13)

All CCHS Sixth Form students are expected to wear professional dress five days a week. We have been specific with the language of 'professional' as we do feel that expecting all students to wear suits/business dress would be an inappropriate policy given that many of our students may progress to alternative industries, such as sports, creative or care.

The dress code outlined below hopes to adopt a consistent standard of professional dress, whilst allowing students an appropriate level of individual expression.

"The way you look directly affects the way you think, feel, and act [...]. When you dress down, you sit down – the couch potato trend. Manners break down, you begin to feel down, and you're not as effective" (Kaplan-Leiserson, 2000, p. 39)

MALE DRESS CODE

- **Shirt or polo shirt with collar or smart jumper.** Logos should not be large.

FEMALE DRESS CODE

- **Skirt, tailored trousers or formal dress.** Skirts and dresses should be of a modest length (a minimum length of just above the knee). No jeans, tracksuit bottoms,

- **Trousers should be tailored;** these can be chinos. Smart cargo trousers are allowed. No jeans or denim are allowed.
- **Formal shoes or boots,** smart trainers, or smart casual pumps only in any colour. Running trainers, Crocs and flip flops are not allowed.
- **Smart jacket or blazer.** (optional)
- Smart jumper (optional) with no large logos.

leggings or shorts. Lycra skirts are not allowed.

- **Blouse, shirt or tailored top.** Tops that reveal the abdomen or chest are not acceptable, as are strapless or backless tops. Students should have their shoulders covered.
- **Formal shoes or boots,** smart trainers, or smart casual pumps only in any colour. Running trainers, Crocs and flip flops are not allowed.
- **Smart jacket or blazer.** (optional)
- Smart jumper (optional) with no large logos.

Denim clothing in any form is not acceptable.

Subjects with Specialist Dress Codes

If a student studies a subject that requires different dress, including Sport, Drama, Dance, etc, students are expected to change for this lesson when necessary, following the subject-specific policy, and then change back to professional dress.

Hair, Make-Up, Jewellery & Tattoos

Hair should be in a neat, professional style and of a natural colour (dying is acceptable but radical colours are not appropriate). Make-up should be discreet. Tattoos must be covered where possible. Small amounts of jewellery are acceptable, including costume jewellery. Piercings are allowed, but must be studs or bars only; rings or hoops are not allowed. Nail varnish and gel is acceptable.

It remains the right of senior members of staff to determine whether a particular item of dress is or is not appropriate for Sixth Form. Students who arrive to Sixth Form inappropriately dressed will be sent home to change.
