## Student Leadership Team

At the end of the Year 12, you will have the opportunity to apply for the Student Leadership Team. The Student Leadership Team is your opportunity to make a difference not just to the Sixth Form, but to the school. We encourage you to raise money, and to make a difference to the school. You will need to apply, but great opportunities can follow from this.

The current Student Leadership Team is as follows:

## PSHE

PSHE will continue in Year 12 and Year 13, but it will look slightly different to maybe what you have seen before. During the Sixth Form, we need to make sure that you are educated and knowledgeable on a variety of themes, some of which may be more adult in nature than you would have met lower down the school. We encourage you to be knowledgeable about topics, but to also have an opinion. During PSHE lessons, as well as topics being delivered, you will also be given the opportunity to take part in debates and assemblies, encouraging all students to have their opinions shared.

The PSHE curriculum runs thematically each half term:

Half Term	Theme
Half Term 1	Health and Wellbeing
Half Term 2	Relationships
Half Term 3	Living in the Wider World
Half Term 4	
Half Term 5	Relationships

We also have a wide variety of outside speakers coming into school to support students. They include:

- Staffordshire Road Safety
- NHS
- Samaritans
- St John's Ambulance
- A variety of universities and apprenticeship providers

## Destinations Programme

At Cannock Chase High School Sixth Form, we are committed to ensuring that all our students can move to the university, apprenticeship, or job of their choice, having the skills they need to succeed.

We start our Destinations programme in January of Year 12, when we visit a university. This encourages all of Year 12 to start thinking about whether they want to apply for university, and what type of university they may want to consider applying to. We then continue this theme throughout the Spring and Summer Term, with a variety of outside speakers and PSHE input. This culminates in the organisation of Destinations at the end of Year 12, where we visit both outside organisations, but also encourage speakers to attend school. We ensure that students have a variety of information covering university, apprenticeships, and employment. As a Sixth Form, we have developed close links with:

- Newman University
- Birmingham City University
- Be Ready
- Loughborough University
- Staffordshire University
- Walsall College (apprenticeships)
- Stafford College (apprenticeships)
- Huddersfield University
- Edge Hill University
- Impetus Coaching (Oxbridge applications)

## Sixth Form Opportunities

### Sixth Form Prom

It is vitally important that we celebrate the achievement of Year 13 at the end of their studies, regardless of whether students have spent five years or seven years with us.

Year 13 Prom is different; students themselves are encouraged to choose a venue and are encouraged to raise money to contribute towards the cost of the prom. Large dresses and smart cars are not the order of the day; instead, it is celebration without the fuss of Year 11. Of course, it is entirely up to students what they want. We encourage all students to take part in the fundraising opportunities.

### Sixth Form School Service

All our Sixth Form students are encouraged to contribute to the school and wider society. Sixth Form students have taken part in a number of community initiatives, including 'Your Body Your Rules' and environment work. We encourage you to take part in all opportunities that you can. Any contributions that you do make will be logged as 'School Service', which can lead to money off your Prom ticket should you contribute enough hours. Please just remind teaching staff to log the hours!
