

Child Development

Unit 2: Summer Task

Pre-linguistic and Symbolic Stages

You are working as a nursery nurse and have been asked to produce a handout to help parents to:

- A) Understand Children's communication and language development between 0-8 years i.e. HOW do they develop?
- B) Encourage their child's communication and language development between these ages.

You must ensure you cover pre-linguistic and symbolic stages

If you are struggling, please ensure you research/ re-visit pre-linguistic and symbolic stages

Use your notes from the taster session

See Miss Hale for support during your taster week.
