

Dress code @ CCHS Sixth Form

At Cannock Chase High School, we believe in the importance of dressing smart to ensure you are in the right mind set to study and aim for your best, "smart dress, smart mind." This also mirrors many work places, which adopt a smart dress code, or have some sort of uniform or expectation of how you present yourself to turn up for work. This is why we believe it is a great value to instil in sixth form and makes us stand out from other settings, such as colleges.

Our dress code is as follows:

Skirt, tailored trousers or formal dress. Skirts and dresses should be of a suitable length (a minimum length of just above the knee). No jeans, tracksuit bottoms, leggings or shorts.

Blouse, shirt or tailored top. Tops that reveal the abdomen or chest are not acceptable, as are strapless or backless tops. Students should have their shoulders covered.

Formal shoes or boots (not above the calf), though not necessarily black. Trainers, pumps, canvas shoes or flip-flops are not acceptable. Doc- Martin style shoes can be worn underneath trousers. Heels should be an appropriate height (maximum of 2.5 inches).

Smart jacket (compulsory) This may be in the form of a suit jacket or a fashion blazer worn with tailored trousers.

Shirt with collar - T-shirts and polo shirts are not acceptable.

Tie - Bow ties are acceptable.

Trousers should be tailored - No jeans, tracksuit bottoms formal shorts in warmer weather are allowed.

Formal shoes, though not necessarily black - Trainers, pumps, canvas shoes are not acceptable.

Smart jacket -All male students are expected to have a smart jacket with them at all times. This may be in the form of a suit jacket or a fashion blazer worn with tailored trousers (denim jackets are not acceptable).

Smart jumper (optional).

Denim clothing in any form is not acceptable.

Dress code exemption pass:

If a student completes work experience or studies Sport, on the days where they are not in smart wear they will be issued an exemption pass, that they must carry with them, along with the ID badge.

Hair, Make-Up & Tattoos

Hair should be in a neat, professional style and of a natural colour (dying is acceptable but radical colours are not appropriate). Make-up should be discreet. Tattoos must be covered.

Jewellery & Piercings

Small amounts of jewellery are acceptable, including costume jewellery. Loose items, such as hoop earrings, are not appropriate for health and safety reasons. Piercings must be discreet, with no more than one piercing in each ear and no facial/tongue piercings, or ear spacers. A small clear stud in the nose is allowed.

It remains the right of senior members of staff to determine whether a particular item of dress is/is not appropriate for Sixth Form. Students who arrive to Sixth Form inappropriately dressed will be sent home to change.
